

## Roane County Wealth and Philanthropic Potential

### It's our One Chance in 100 Years...

For over 100 years, Roane County has seen tremendous wealth generated from hard-working citizens, natural resources, industries, agriculture, and businesses. This multi-generational wealth now faces the chance of leaving our county and community forever following children and grandchildren to communities beyond our region and state.

**We have the chance to engage 5% or more for permanent charitable funds to benefit the citizens and our community of today and generations to come.**

### What is our Potential?

The following are estimates for how the transfer of wealth could impact 33 of West Virginia's counties over the next 10 and 50 years:
