

# Putnam County Wealth and Philanthropic Potential

## It's our One Chance in 100 Years...

For over 100 years, Putnam County has seen tremendous wealth generated from hardworking citizens, industries, agriculture, natural resources, and businesses. This multi-generational wealth now faces the chance of leaving our county and community forever following children and grandchildren to communities beyond our region and state.

We have the chance to engage at least 5% for permanent charitable funds with our community foundation to benefit the citizens and our community of today and generations to come.
